

The scheduled start-time sequence for Summer racing begins:

KEELBOATS

Division 1 & 2	1400 hrs
SS22's	1405 hrs
Red Witches	1410 hrs
Division 3 & 4	1415 hrs

REMEMBER!

Your Division flag goes up with 5 mins to go
 The "P" flag goes up with 4 mins to go
 The "P" flag comes down with 1 min to go
 When your Division flag comes down - GO!

However, when M27, Spacesailer, Red Witch, or any other Association Heats are held at CYC, the visiting fleets start FIRST. Watch the flags for your division - don't go unless you see your flag!

We require at least 4 yachts in order to justify a separate start. If there are not enough yachts in any fleet or division, then there will be a combined division. Look for the "C" flag where your division flag would normally be or else you may see two division flags together on the one halyard - which means those two divisions will start together.
