

UNDER NEW MANAGEMENT

The Commodore and General Committee are pleased to welcome Phillip Smith to the Club as our General Manager.

Phil has extensive experience in the hospitality and leisure industry with a proven track record in achieving results in business management and increasing revenues and financial performance.

Phil comes to the Club with more than a decade of experience as a general manager in hospitality focused businesses. Phil's family live in Perth, however, he has worked for the past three years at Cypress Lakes Resort and Country Club in the Hunter Valley in NSW and returns from there to join our Club. Prior to his most recent placement he was General Manager of The Vines Resort and Country Club in the Swan Valley for three years.

Phil's experience is not limited to Country Clubs. He was previously also General Manager of Reef Management in Queensland, whose business included Green Island Resort as well as a fleet of ferries and marine infrastructure.

The Committee look forward to our Club and members benefiting from Phil's extensive experience in hospitality working in membership based organisations.

When you see Phil around the Club, in the bar, restaurant or office, please introduce yourself.
