THANK YOU

Without our volunteers we would not be able to go out and enjoy the sport that we love. So it is important to thank these people.

Thank you to all our hard working Starters, led by Chief Starters Robert Jeffery and Wilma Poland.
So in no particular order-THANK YOU- Sarah and John Steinhardt, Margaret and Colin Cook, Kingsley Porter, Andrew Caddick and Peter Dear (who helped out at the end of the season while his crewman was away)
Without these kind members, giving up their time on Wednesdays and Saturdays we would not be able to enjoy the racing and friendship and CYC.
Thank you very much for the time that you put in at CYC to enable us to go sailing.

KEELBOAT NEWS

Frostbite-Sunday 2nd July

.Only 2 skippers and crew turned up and so the race was cancelled. Andalusia and Theseus went for twirl around the bank-all rugged up against the cold. Beaujolais crew decided it was nicer in the bar having a coffee and a muffin.

Oh well maybe next time

Robert Jeffery

Sunday 16th July

Three keelboats ventured out today in a fresh breeze of around 8 – 10 knots. Andalusia, Beaujolais and Serana with all crew in Winter Attire. They were joined by 7 lasers also in Winter attire. Course 16 was selected for the keelboats and the lasers designed their own course and the full circuit was sailed. There were lots of other keelboats out sprouting EFYC, RFBYC and SOPYC colours and it was a shame that so many of our keelboats decided to remain in their pens! A good day was enjoyed by all concerned. Everyone was home by 3.30pm. My thanks go to Wally Giles for his help with the start and my apologies for any “miss” timing as I had to use my personal watch, it does have a second hand, as the start box clock needs a new battery!!

Cheers, Wilma Poland
