There was a lot of discussion about the constitution and construction at the AGM on Thursday 21st September, prior to the election of the General Committee for the coming year which confirmed two new members, Paul Hodgson and Michael Della Posta.

Your new committee is (link to committee page on website):

Commodore - David Bovell

Vice Commodore - Bill MacLeod

Rear Commodore Sail - Rob Boykett

Rear Commodore Power - Paul Hodgson

Rear Commodore Dinghies - Walter Reeve

General Committee

Darren Chatfield

Justin Congdon

Bill Harding

Peter Stanley

Michael Della posta

Peter Wilkinson

John Olsen will continue as Treasurer until we can find a replacement. John has done the job very ably for the past 4 years but would like to step down. Any member with a moderate understanding of finance matters is invited to put their hand up for the job and John will help you settle in to the duties.

Two motions were also considered at the AGM:

Motion 1 for the Club to adopt the Model rule was lost. Instead, the General Committee will seek to modify the current constitution to make it compliant with the new Associations incorporation Act. These, and other changes, will be presented to the members at the Half Yearly General Meeting in March 2018.

Motion 2 to allocate \$300,000 to the construction of a new entrance and stair on the front of the Clubhouse was carried although members requested further details of the project.

Thanks,
Bill MacLeod
