THANK YOU

Without our volunteers we would not be able to go out and enjoy the sport that we love. So it is important to thank these people.

Thank you to all our hard working Starters, led by Chief Starters Robert Jeffery and Wilma Poland.
So in no particular order-THANK YOU- Sarah and John Steinhardt, Margaret and Colin Cook, Kingsley Porter, Andrew Caddick and Peter Dear (who helped out at the end of the season while his crewman was away)
Without these kind members, giving up their time on Wednesdays and Saturdays we would not be able to enjoy the racing and friendship and CYC.
Thank you very much for the time that you put in at CYC to enable us to go sailing.

KEELBOAT NEWS

Sunday 3rd September

Sunday, "Father's Day" welcomed some sunshine, clouds and a cold breeze but this did not deter five keel boats and two lasers from venturing out on the water. The two lasers were joined by Andalusia, Theseus, Serana, Shee Rua and Beaujolais and all enjoyed the breeze and the fact that there were only a few other yachts on the river made it lovely sail. All were home within the hour and the two lasers decided another twist of the Karrakatta spit posts would just top the day of nicely! First of the keelboats home was Andalusia, followed by Beaujolais, Theseus, Shee Rua and then Serana bringing up the rear. This was the second last Frostbite for the season so get ready for the final one on the 17th September. My thanks go to Andrew Caddick and Wally Giles for their assistance in the start box today. If anyone would like to join the start crew please do not hesitate to give us a call. The work is simple, only takes a few minutes and we will guide you along each step of the way. Just call the office on 9384 8226 and leave your contact details or call/text Rear Commodore Sail Rob Boykett 0422 447 603, Robert Jeffery on 0407 197 337 or myself on 0407 089 016. If you have email then you may email me at artwillpoland@bigpond.com. Love to hear from you.

Cheers

Wilma Poland

Club Open day-Sunday 1st October

CYC is holding an Open Day on Sunday 1st of October, to try to reach out to prospective crew or boat owners to join us at Claremont for our forthcoming sailing season.

This is like the "Discover Sailing" day that we normally participate in, that is run by Yachting WA (Australian Sailing). This time we are doing this on our own so we don't have to compete with the bigger clubs on the river for attendees.

So if you know anyone that would be interested, let them know and there will be more details coming out in the next couple of weeks. So put it in your diary, tell your workmates and neighbours, tell everyone you know to come on down.

There will be keelboats to take people out on (so please volunteer so that you get first dibs on crew)

and there will also be lasers and maybe 420s for the more adventurous people.

And at the end top it off with a sausage sizzle.
