### Sunday 28<sup>th</sup> October

6 boats started in our first Sunday race for the season. Windspinner went out for the first time since Opening Day when they had a problem with a sand bank and had to be rescued by Richie Boykett and crew on the rescue boat. Onboard of Windspinner was, Greg Simpson from Krista, to give Cleve and crew some advice and it seemed to work. After having a late start they were catching up to the leading boats very fast. At the end of the race, Kyzo Too was first across the line followed by Theseus and Beaujolais. Hot on Beaujolais's heels was a fast finishing Windspinner!!! Great job Greg for helping our fellow sailors. The last 2 boats to finish was Serana with Peter and Sylvia and 3 of their 4 sons, 2 daughter laws, grandson and granddaughter on board. I think Richie was on the helm-so great job Boyketts one and all. And the last one to finish was Vagabond. Great to see her out and finishing the whole race. The wind was quite good for most boats and there was no rain which was great. Don't forget that next weekend we are once again sailing on Sunday

## THANK YOU

Without our volunteers we would not be able to go out and enjoy the sport that we love. So it is important to thank these people.

**Thank You to our Starters for Wednesday 25<sup>th</sup> October- Robert Jeffery & rostered boat "Serana"**

**Thank You to our Starters for Sunday 29<sup>th</sup> October- Robert Jeffery, Andrew Caddick & Joan Austen.**

Without these kind members, giving up their time on Wednesdays and Saturdays we would not be able to enjoy the racing and friendship and CYC.

Thank you very much for the time that you put in at CYC to enable us to go sailing.

### Sunday 22<sup>nd</sup> October

"At the beginning of the race I started on the port tack with the majority of the fleet starting on starboard tack. I managed to sail across the fleet and was in the lead at the first mark which put me at 3<sup>rd</sup> position behind Andy and Justin. During the following 2 reaches Nigel passed me and then on the next windward leg I went out to the right side and Mark and Scott went to the left side and beat me to the top mark. On the next 2 legs the positions stayed the same and on the final reaching legs Duncan got passed me. That's how it stayed for the rest of the race-I got 3<sup>rd</sup> of the Radials and 7<sup>th</sup> Overall across the line"
