Dear Fellow Members

As you will all be aware, the Committee and the Club endeavours to give our members the best value for money both over the bar and when dining at the Club.

We have kept price increases on hold for the past 18 months to encourage sales as well as introducing the members discount the loyalty programme and member pricing.

Unfortunately, we are no longer able to absorb the price increases which have been passed on by the club suppliers over the past 12 months. As of the 4th of December there will be a small price increase at the Club.

Please be assured that the committee is mindful of any increase and we will keep the Club price competitive to benefit all of our members and to encourage our members to use the Club facilities.

Both the Committee and I would like to thank you all for your continued support of the club
