

LEAVING BOAT TRAILERS AT THE CLUB

Club Management will trial a new initiative for Members who are taking their trailer boat out on a weekday. Members who have launching ramp access will be allowed to leave their boat trailer on the lawn area during weekdays, but not overnight and not during the weekend.

Below are listed a few dos and (more) don'ts for Members who want to take advantage of this privilege.

DO:

- Disconnect your car from your boat trailer before leaving your trailer on the lawn
- Park your trailer on the river side of the lawn so that access to the Dinghy Shed is not obstructed
- Park your car in marked bays in the car park
- This privilege is only available during the weekdays
- At all time be considerate and allow other Members to also enjoy the Club

DON'T

- Don't leave your car on the lawn
- Don't leave your car attached to your trailer
- Don't leave your trailer on the lawn overnight
- Don't leave your trailer at the Club during the weekend
