

## CLAREMONT YACHT CLUB (INC.)

Dear Members

Our May 12<sup>th</sup> Power Open Day and the start of the 2018 Time Trial Season is fast approaching.

Each year the Pens and Moorings Committee struggle to get enough volunteers to assist with the manning of the Checkpoints and we thank all those people who have volunteered over previous years. Up to 60 Checkpoint crews are required each season to man both land and water based checkpoints. Time trailing is run every Saturday afternoon or the occasional Sunday morning from the start of the season in May though to September.

Committee will be establishing a Checkpoint roster in 2018 and this is to be administered by the CYC office.

All Senior Members will be required to do check point duty unless actually competing in the sport of Time trailing.

All members rostered for Check point duty will be advised prior to the start of the season of the date and time they will be required and they will be sent a Check point duty form which is to be signed and returned to the office prior to the start of the season to confirm their participation.

Members unable to assist on a given date may defer to another date during the season.

Seniors membership numbers will be used to establish the roster (*highest to lowest*).

Members are required to give 14 days' notice if they can't assist on their given date.

Members who wish to volunteer their service on any given date, could you please notify the office ASAP

Members failing to perform the required duty may be brought up in front of Committee for explanation.

### 2018 TIME TRIAL CALENDAR
