Welcome to the Tackers Program

Tackers is an introductory, fun, games-based sailing program designed for kids aged 7 to 12 and delivered during school holidays at Claremont Yacht Club. Kids don't need to have any sailing experience or to be a member of the Club to participate. All the equipment, including life jackets and boats, is provided. Our qualified Instructors will make sure your kids have a great time on the water learning to sail. The program is fun filled with loads of games and river adventures as they learn how to sail. There isn't a court, a pitch or an oval like other sports, instead you have the Swan River to explore and enjoy. For just a few hours in the morning, this is a great opportunity for you to interact with your children whilst they learn some valuable skills in a fun and safe environment. Parents are encouraged to participate as much as they like during each session or they can just relax and enjoy the view and ambience from the club veranda. Claremont Yacht Club is a short 10 min stroll from Claremont Train Station and has easy vehicle access from Stirling Highway.
