

Notice of Motion
Annual General Meeting Claremont Yacht Club
2018

To continue with jetty refurbishment of A Jetty.

MOTION:

That Claremont Yacht continue with jetty refurbishment of A Jetty to a cost of \$150,000.

EXPLANATORY NOTES

1. Claremont Yacht Club has refurbished all of its jetties except for the inner pens at the beginning of A Jetty. This motion is to continue our jetty refurbishment - widening and lengthening where possible. The installation of cat walks to all pens to complete the refurbishment of our jetty system.
2. The General Committee to appoint a Project Manager and a project committee. This committee will obtain the appropriate approvals. Have the Club engineer draw up the plans, obtain construction quotes to be no more than the \$150,000 and to proceed with the works.
3. This project will then bring all our major jetties up to the same standard making it safer for our Members.
4. This project has been put in the 2018 budget and the funds will come from our normal revenue stream.
