

## TIME TRIALING ENDS FOR THE SEASON

Sunday was our closing day Time Trial and was held at a Royal Perth Yacht Club and up for grabs was the Seafarers Trophy.

This was the first time in 16 years RPYC have held this event and the weather they put on was sensational.

20 boats started the event with 7 from Claremont Yacht Club entered.

After the event A buffet lunch and presentations were held at RPYC who put on a terrific spread.

Congratulations to Pete and Jen Wilkinson aboard 2 Flags for winning the event on handicap. Pete tells me he has this new way of time trialing and it certainly seems to be working. It was also great to see Arnold and Chris Hams aboard Undaunted who came in third on handicap.

I would like to thank both Steph Broad and Steve Scott for helping out on Check Point Duties for the day.

Finally we have our State Presentation night this Friday again at RPYC where it appears CYC is again punching above its weight for awards.

Regards

Paul Hodgson
