With a good strong breeze blowing, five yachts took to the waters off Claremont Yacht club. Course 8 was selected as this covered a good part of the river without going down to Dolphin West. Three SS22's, Serana and Theseus braved the elements. Paprika pulled out after rounding Bishop as skipper Todd Whitfield felt that the crew, though very keen were not really experienced enough to complete the course. Better luck next time as discretion is the better part of valour, so it is said. Beaujolais had the skipper from Kyzo Too on board as Colin could not find crew today and it also gave Colin some experience on a smaller yacht and something he did not expect as everyone on board finished with a rather "WET Rear end". Kyzo Too is far more sedate!! Andalusia had her usual crew who battled the elements, Theseus had her usual crew and Serana was as happy as a "pig in mud" with all that wind available. Across the line and first home was Andalusia, with Beaujolais second, Serana third and Theseus bringing up the rear, all were home in just over two hours. Pennants were awarded: First – Serana (surely as these guys have now won the first three races of the season the handicapper should really make some adjustment to her handicap!). Beaujolais was second with Andalusia third and fastest. It was great to see a few people in the Deepdene Bar after the race enjoying the comradery and a few well-earned drinks to round off the afternoon.

My sincere thanks go to Joan Austin today for her assistance in the Start Box. Without such people it would be difficult to run the races efficiently so if you know of anyone who would like to join the start team please ask them to contact me on 0407 089 016 or Robert Jeffery through reception at CYC.

From the Box

THANK YOU

Without our volunteers we would not be able to go out and enjoy the sport that we love. So it is important to thank these people.

**Thank You to our Duty Starters for :**

**Wednesday 24<sup>th</sup> October-Robert Jeffery and "Serana" Crew for manning the Start Box for the twilight.**

**Saturday 27<sup>th</sup> October: Co-Chief Starter- Wilma Poland & Joan Austen for manning the Start Box.**

Without these kind members, giving up their time on Wednesdays, Saturdays and Sundays we would not be able to enjoy the racing and friendship and CYC.

Thank you very much for the time that you put in at CYC to enable us to go sailing.
