

COCKTAIL PARTY TIME TRIALING PRESENTATIONS

Saturday night, Claremont Yacht Club held a Cocktail night for all Members. Unfortunately, only a small number attended but those that did had a terrific night. The food was sensational and the cocktails and drinks were enjoyed by all.

I would like to thank Damon, Aaron and the staff for putting on a great night and Dave Bovell and Justin Congdon for the room set up including the music, lights and signs.

Also incorporated in the night were the presentations for the Time Trialing season. This season Utopia skippered by Justin Congdon and navigated by Dave Bovell took out both the Outright Championship and the Handicap Championship.

The most improved Skipper and Navigator was awarded to Peter and Jen Wilkinson on board II Flags. The Golden Prop award went to Rob and Myra Ryan on Alexandra and the Encouragement Award was presented to Chris and Arnold Hams on Undaunted.

Congratulations to all the award winners.
