

# CPYC HEAT 1 TIME TRIALS

With the start boat in place at Burnside Spit the 2019 Cruising & Power Yacht Committee of YWA(CPYC) State Time Trialling season was underway with 51 boats from four yacht clubs participating in the event.

It was held on Saturday the 25th of May, with many of the fleet returning to try their luck in a new season and a few new to the sport of time trialling but certainly not to the sport of boating like competitor number 120 "*Perie Banou II*" Skippered by Jon Sanders and Navigator Morgan Flower from Royal Perth Yacht Club under motor of course and at a nominated speed of 5knots gained a very respectable total points of 69 in her first event.

It was a really spectacular sight to see so many boats out on the Swan River on such a beautiful day and it's great to see so many clubs competing in these events and making the competition more challenging.

Congratulations to the winners on the day South of Perth Yacht Club boat "*M&Ms*" Skipper Michael Cook and Navigator Maria Cook with a score of 11pts on a countback and Least Points winners of the event. Equal second points win and Least Points also on a score of 11 went to Royal Perth Yacht Club boat "*Cosmos*" Skipper Terry Mullins and Navigator Sandra Mullins and South of Perth Yacht Club boat "*Thanet*" Skipper Guy Skinner and Navigator Richard Evans.

CPYC Heat 2 on Saturday 22<sup>nd</sup> of June followed by a dinner and Heat 1&2 results at Royal Freshwater Bay Yacht Club information available at your Club shortly or contact RFBYC for the details.

If you would like to know how to compete in the sport of Time Trialling contact the Power Captain in your Club or contact Brian Smith, Vice Chair CPYC on

0407 121 294.
