

4TH STATE HEAT DINNER @ CYC

Saturday night Claremont Yacht Club hosted the CPYC 4th state heat dinner for Power boat time trialing.

Over 90 guests attended the evening and what an enjoyable, fun evening was had by all.

The Club welcomed guests from Royal Perth, Royal Freshwater Bay and South of Perth Yacht Clubs. We also had Hillary's Yacht Club attending the evening, however the weather again was not kind to us and they couldn't bring their boats down to time trial. Maybe next time.

A massive thanks to David Bovell and Corica Pastries for donating the world famous apple strudels, to everyone they are a big winner. Also, a big thanks to our Club member, Jon Gregson who kindly donated a number of sensational red wines that were raffled off during the night. All winners were very grateful for both the strudels and wine.

Big winners of the night for CYC were our Vice Commodore, Darren Chatfield and his wife Sarah aboard Spectrum for winning 1st place in Consistency for the 4th state heat.

A very close 3rd were Rob and Myra Ryan aboard Alexandra.

Congratulations to you for flying the CYC flag.

A special mention to our check pointers for the day, David and Pam Lee, Andrew and Jenny Harford, Steph Broad, Jim Thorogood, Big Paul Dowding and Terry Crommelin. We all really appreciate your attendance and effort on the day.

Thank you also to our General Manager, Richard Teuchert, our Chefs Aaron and Kathy and all staff for the sensational food and wonderful service. Throughout the evening I had a number of guests from other Clubs stating the food and service was first class.

To all time trialers please be aware that this Sunday is the Kylie Cup, run by Royal Freshwater Bay Yacht Club. It's an early start so those interested please contact the office to nominate. RFBYC are also putting on a Pig on the Spit free of charge. Depending on numbers we will transport over by boat after the race finishes, please also contact the office if you intend to travel over for lunch. This is important so we can advise RFBYC of numbers for catering.

Again, a personal thanks to all members who raced and attended the evening.
