

Dear CYC Member

Please follow this [link](#) to login through the Members Portal (**Member Number:** Your CYC Membership # **Password:** The first 4 digits of your birthday eg 20 March 1960 would be **2003**) to view the motion that I will move at the HYGM on 19th March, to amend the Constitution and Rules of the Club.

The purpose of this motion is to revise clauses dealing with membership so that the Club can legitimately continue with some existing categories of membership and also provide potential to offer new categories of membership to allow us to increase our membership. There is a detailed explanation of the amendments in the notice of motions if you wish to know more about this proposition.

The proposed amendments in this motion have come from work over several years with input from previous Constitution Review Committee members and the General Committee. That is not to say that any of those others have “co-sponsored” this motion.

I have presented this motion well in advance of the deadline to allow members to review it and present amendments if they see fit. Amendments to this motion do not need to be lodged with the Club until noon on Thursday 5th March – so there is plenty of time. I am happy to assist any member who wishes to present an amendment to my motion to help ensure that should their amendment be adopted, all consequential impacts of that amendment on other clauses in the Constitution and Rules are covered.

Regards
