

## 115<sup>th</sup> Commodores Cup – 15<sup>th</sup> March 2020

In 2020, Claremont Yacht Club ran the 115<sup>th</sup> Commodores Cup. This is CYC's premier event for the year and it was great to see so many keel and dinghy sailors out on the water. The full results are shown in the Blowing in the Wind edition below.

Thank you to Robert Jeffery and Wilma Poland who looked after the start team of Andrew Caddick, Joan Austin, Wally Giles and Alan Gibson. Out on the water we had Simon supporting the Lasers and Darren and Alex taking some photos and following the yachts around.

Here are a couple of the photos that were taken of the event.

First Claremont boat and Deep Dene winner – Beaujolais skippered by Arthur Poland with Ann Caddick keeping a close eye on boats as we rounded the first mark. Seamist took out second and 2<sup>nd</sup> Wind third.

Seamist IV skippered by Craig Feakes were the fastest Claremont boat.

The Laser fleet were very close, although Mal McKercher was quick off the mark and was never headed in taking out the flag for fastest Laser (and passing a few of the bigger boats).

We hosted the Farr 9.2 Association who make the annual pilgrimage to CYC to enjoy a day on the water. Warren Westaway on Lionheart took out the First and Fastest flags. We look forward to hosting these great yachts again next year.

Close racing was the order of the day for most of the fleet. Beaujolais and Beagle keeping a close eye on one of the many visiting Nedlands boat, a sneaky little Redwitch taking the inside line around the first mark.

Other CYC boats out included Paprika, Theseus, Kyzo Too, Second Wind and Red Rum. Great work all.
